

# Disruptions to service X13/13

## 15th & 16th July 2023

Improvement works on the A1307 mean that on the above dates the X13/13 will be unable to serve Hildersham; Abington and parts of Linton.

**For Hildersham and Linton customers**, please board and alight from Linton Fire Station. No other stops can be observed and buses will potentially be subject to delay as they follow a diversionary route.
